

The IDFA Laureate Award honors an outstanding leader whose career has significantly impacted the dairy industry's growth and development. Candidates from all segments of the dairy industry – milk, cheese, ice cream, yogurt and cultured products, ingredients – as well as suppliers and academia are eligible for the award. The awardee will be selected by a panel of industry professionals based on the nominee's overall career achievements. The recipient will be recognized during IDFA's Dairy Forum.

**Nominations must be received by IDFA no later than Friday, October 25, 2024.**
